2018-2019

Musical Theatre West (MTW), now in its 66th Season, is *Southern California's Premier Musical Theater Company*. MTW presents four major productions each year and numerous special events. Each show is produced locally giving aspiring talent the opportunity to perform alongside seasoned professionals.

MTW has won national recognition and critical acclaim, including many Ovation, Backstage, Dramalogue, and Robby Awards, and as well as the coveted Margaret Harford Award for Sustained Excellence in the Theatre from LA Stage Alliance.

MTW's Education and Outreach Programs introduce over 17,000 youth to the joy and magic of musical theater each year. Along with special student matinee performances, school assemblies and in class workshops provide further insight into the world of theater. The laughter and applause from these youngsters indicate it is an art form they will enjoy for many years to come.

MTW believes that the arts provide enrichment of the soul and that Musical Theater, a uniquely American art form, should be preserved and nurtured. MTW aims to reach and educate new people through its productions and outreach programs because the arts contribute to intellectual development and creative thinking. Through the opportunity to experience and appreciate the arts, the next generation of artists will be cultivated and
