MTW Footlighters

When you join MTW Footlighters, you become an ambassador for Musical Theatre West (MTW). The Footlighters was formed to support and promote MTW, its goals and the success of the organization. You will enjoy getting to know the performers and being the first to hear about new productions and special events.

Prior to each new production, you will be invited to Music In The Morning luncheons where you will be entertained with a musical preview of the next performance.

MTW's education and outreach programs introduce over 17,000 youth to the joy and magic of musical theatre each year. Through the opportunities to experience and appreciate the arts, the next generation of artists will be cultivated and trained. Footlighters also awards several \$1,000 scholarships each year to students studying all aspects of musical theatre.

If you have a passion for musical theatre, you will feel right at home with us. And don't forget that through your efforts and donations, you are supporting MTW's education and outreach programs and Footlighters scholarships which enrich the lives of children and open doors of opportunity.
