

# MUSICAL THEATRE WEST

Southern California's Premier Musical Theatre Company

Introduce your students to the magic of live theatre for **FREE** at your school site!

The Musical Theatre West 2025 Fall Tour

Fall tour show dates: **Sept 29-Oct 3 & Oct 6-10, 2025**

***Saving Paka's Dog Park*** a new musical. Join Paka and her dog friends as they work together to save the community's last dog park.

This 30-minute musical production features the following concepts, while meeting California State curriculum standards:

- A child's place in time and space.
- People who make a difference.
- The importance of community.
- Continuity and Change.

*Recommended for grades TK-3*

***How Do You Know?*** a musical featuring famous events, people, and discoveries in the history of science. Join Anika, Carli, Dan and Bill as they attend their 10-year Middle School Reunion and discover how science has impacted their lives.

This 30-minute musical production introduces the following concepts, while meeting California State curriculum standards:

- The Scientific Method
- The history of science, how inventions have changed things, and how they all build on each other to make our lives better every day.
- STEM, and Careers in STEM related fields.
- Developing an appreciation for musical theatre.

*Recommended for grades 4-8*

Student Study Guides are available for all of our Productions
